non-departmental man, was continued in the Head Office ;

(*b*) why preference was given to Sri K. Subba Rao, a non-departmental man, an under-graduate, in preference to graduates—departmental people ;

(*c*) though Sri K. Subba Rao was working on tenure basis, why the Labour Commissioner did not recommend his reversion to Secreteriat to provide places to departmental officers;

(*d*) why Government have promoted an under-graduate Sri K. Subba Rao to a gazetted rank contrary to Rules of Recruitment ;

(*e*) whether the Public Service Commissioner has approved this appointment or has granted him exemption from the operation of Public Service Commission Rules ;

(*f*) though Sri K. Subba Rao has not passed departmental tests, under what rules he was granted increments, when increments were not sanctioned to the officer who had passed some tests though not all ?

A.—Sri A. G. RAMACHANDRA RAO (Minister for Law and Education).—

(*a*) This is not true. These officers were granted leave in the exigencies of service.

(*b*) Does not arise in view of reply to clause (*a*) above.

(*c*) No such occasion has arisen so far.

(*d*) It is not unusual to promote non-graduates to gazetted rank in deserving cases.

(*e*) No. The Public Service Commission was not consulted since rules in this regard were yet under consideration.

(*f*) This officer has been appointed on a tenure basis and as such passing of departmental tests has not been insisted upon in his case. Grant of increments is therefore governed under the provisions of the Mysore Services Regulations.
